You are not permitted to use the trim as your home color and the home color as your trim. Please keep to the color schemes of what you choose. Ballastone color books are only to be used in Ballastone. On the application please make sure you put the name of the color and the color #. Please make sure you attach a swatch of the colors on your application. If you do not choose from any of the color books the DRB can either approve or deny the colors you have picked. We must see the swatches you choose. Picking the right colors for your home is important; it affects how people will view your home. Turn heads in the right way by choosing colors that you can be proud of.

**DESIGN REVIEW BOARD** If submitting a color not in the book please supply the **LARGEST** sample chip available, the manufacturers name & the name and number of the color.
