You are not permitted to use the trim as your home color and the home color as your trim. Please keep to the color schemes of what you choose. Ballastone color books are only to be used in Ballastone. On the application please make sure you put the name of the color and the color #. Please make sure you attach a swatch of the colors on your application. Only color schemes that are in the approved color book will be permitted.
Effective November 1st, 2017

DESIGN REVIEW BOARD If submitting a color not in the book please supply the **LARGEST** sample chip available, the manufacturer's name & the name and number of the color.
