## Picket

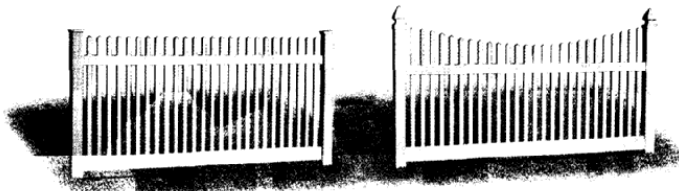

For style reminiscent of old cedar picket fences – without the maintenance – our classic picket styles feature 1.5" x 1.5" spindles and 3" for our contemporary picket style. All picket fences have reinforced bottom rail.

## Ranch Rail

Our ranch rail enhances the appearance of your property line without limiting visibility beyond. The perfect fence to surround farms, ranches, estates and stables. The ranch rail can be installed as a two, three or even four rail fence.
